

## **October 2009**

On September 23rd, Charles - Rector of St. Luke's, attended a meeting with the Bishop, Steve Hutchinson - Chancellor, the Rev. Canon David Bailey - Canon to the Ordinary, the Rev. Pablo Ramos - Chair of the Diocesan Standing Committee and the Rev. Len Evans - Consultant to St. Luke's Visioning Process. The meeting was held in preparation for the meeting of the St. Luke's congregation scheduled for Sunday, September 27th.

The focus of the discussion was to clarify the requirements St. Luke's would need to meet in order to be able to retain the Old Town Chapel. During the course of the discussion, Bishop Irish indicated that she was uncomfortable with the idea of placing the Chapel for sale on the market during her last year as Bishop. Therefore, she stated her desire to suspend any discussion of the sale of the Chapel during the remainder of her tenure. It was agreed that the Chapel would not be placed on the market for sale during 2010.

Respectfully,  
Charles Robinson
